 Happy Christmas! 				
		4th January	5th January	6th January

We do hope families and friends from the school and the community will be able to join us to sing carols next Wednesday from 5.30pm. This isn't a performance and the children's attendance isn't compulsory; it is just a lovely opportunity to join in with some traditional carol singing!

Weren't our infant children **OUTSTANDING** this week? They have worked so hard to learn & practice their plays, and we were hugely impressed by their bravery when they were on stage. Pat on the back & medal on the front for everyone involved!!

Only a few more days left to help turn our sugar hill into a sugar mountain, before it is taken to give life-saving energy to the homeless. Just one bag could save a life this Christmas, and the Buckingham Appeal is incredibly grateful for every bag donated.

We need one more helper for the infant disco on Monday, and one more for the juniors – no experience necessary!! Your child gets a free ticket if you volunteer (or we can give you a refund if you have already bought a ticket).

The 100% attendance prize draw winner this week is ...
Freya
 in Squirrels!
 Enjoy spending your £10 Amazon voucher!

Sadly, we are owed £150 in school lunch debts. Please pay any money owing **ON MONDAY**. We are also still paying an awful lot in charges for online Paypal payments; please pay by card whenever possible so we can buy resources rather than pay bank charges!

Thank you, thank you, thank you to our kitchen ladies for all our Christmas lunches this week. They were as scrumptious as always and have really got us in the festive spirit. Your hard work was **VERY** much appreciated.

Thank you for your generous donations after the infants' performances this week. We are pleased to be able to send an amazing £196.35 to Dementia UK, the school's chosen charity this year.

Letters will be coming home next week to parents of children who are persistent absentees (attendance below 90%). Legally, we have to monitor these children until their attendance is above 90% again.
