29th January	30th January 4.00pm Year 5/6 teachers – moderation@ Dickleburgh	31st January	1st February	2nd February Science play for all children

The FoRPS ladies had a meeting last night and were making arrangements for the discos on Monday 12th February, the after-school Valentine cake sale on Wednesday 14th February and the fast and furious Beetle Drive on Friday 8th March. Make sure all those dates are in your diary!

Thanks to Miss Leftley for organizing the Young Voices visit to the O2 Arena. Thanks also to Ms Keen, Miss Pryke & Miss Leftley for driving the minibuses to keep the cost down, & to Mrs Rush & Mrs Marcham for giving up their day & quite a bit of the night!

Have you seen the FoRPS colouring competition? Sheets are available from the school office for 50p, entries will be displayed in the village hall, & the two winners will be chosen at Roydon's Winter Green Day at the village hall on Saturday 3rd February. There will be lots going on that day, so do go along.

FoRPS are hoping to raise funds with a Valentine cake sale straight after school on Wednesday 14th February. They are hoping to receive more than the twelve we had donated for our Children in Need cake sale! Please bring any donations to school on the morning of the 14th. Many thanks.

The 100% attendance prize draw winner last week is ...
Kai
in Badgers!!
Enjoy spending your £10 Amazon voucher!

Can you believe that a total of three and a half hours' learning was lost last week due to children being late for school? Children hate walking into class late, missing the social chat with friends on arrival and also the beginning of a lesson. Do them a favour and get them here by 8.45am.

Simon Andrew is baking again! Why would you not join this ex-Savoy hotel pastry chef for a delicious slice of cake, a coffee and a chat about all things parenting? Get together with other parents who are tearing their hair out for the same reasons that you do!

As part of the Norwich Science Festival, we are really looking forward to 'To the Moon and Back', a free touring play written and starring BGT star Ben Langley. Everyone will have a chance to explore the Earth, space, light and forces – should be out of this world!

Please remember that dogs are not allowed anywhere on our school site at any time, unless it has been specifically authorized by Mrs Bradford.
