Please note that the hot option on Tuesday in Week 1 will now be sausages, Yorkshire pudding, mashed potato, sweetcorn and gravy. This will be for the rest of this term. Sorry for any inconvenience.

If your child has a genuine reason for being unable to take part in a PE lesson, we now need a letter, email to the office or message on Class Dojo from their parent each time to explain why. PE is part of the national curriculum and children can only miss these lessons in exceptional circumstances.

Have you been to a Beetle Drive? It is a simple game where teams of two compete to construct a beetle by shaking certain numbers on a die. It is fast, furious & fantastic fun. Come along on 3rd March for a mad-cap evening (with chips!) run by a special guest! Booking form to follow.

The 100% attendance prize draw winner this week is ...

It's coming home! Well actually it has already come. Well done to our amazing dodgeballers who went to Caston Primary as the underdogs, were supported by Miss Page & Miss Pryke, won every game, were champions of the day and brought home a trophy! We are so proud of you!

Last week, four hours of learning was lost by children being late for school. When they are even five minutes late, they miss checking in with friends and important teaching, & are embarrassed to be walking into the room after everyone else has started work. Do your child a favour & be here by 8.45am.

Due to industrial action next Wednesday, we are closing our infant classes for the day; junior classes and the kitchen will remain open as usual. The same will apply on Wednesday 1st March, although we will remind everyone nearer the time. Many thanks for your understanding.

Thank you to FoRPS for agreeing to fund a speech & language assessment toolkit, ten computer coding class packs, and science workshops for all the children in school. Your support is very much appreciated!
