 Happy holidays, everyone! 				
	5th September Staff return to school	6th September Children return to school	7th September	8th September

The FoRPS summer fayre certainly was an experience! Many thanks to the FoRPS ladies for EVERYTHING, to the staff for having wet sponges thrown at them and pies in their faces, and to everyone who came to spend money. You helped us raise **£1,458.30!!!**

On Sunday 17th September, FoRPS will be hosting a car boot sale at Diss Park. If you have a clear out over the holidays, do bear in mind that you may be able to earn some money for your unwanted items. Look out for details this week.

We know that this is a really expensive time of year when children need new uniform, PE kit, etc. Donations of clean, good quality second-hand uniform would be gratefully received, and then items can be bought for whatever amount parents can afford. Let's help each other out!

We look forward to seeing the children at the outdoor discos on Monday. Crisps and sweets are included in all tickets – for those having hot food and those who are not. Please remember that all children **MUST** be collected at the end.

The 100% attendance prize draw winner this week is ... **Freddie** in Woodpeckers!! Enjoy spending your £10 Amazon voucher!

Don't forget that next Wednesday, the hot lunch option will be sausages, chips and beans as chosen by the Year 6 children. Cold and packed options remain the same. All lunches should be ordered and paid for in the usual way.

If your child has lost any items of uniform, water bottles, hats, etc., etc. please check lost property before the end of term. Any unclaimed clothing next Friday will be washed and made available on the second-hand clothing rail for a small donation.

Good effort, Year 6! You fought bravely and with determination against the staff in the rounders match this week. Unfortunately, you couldn't beat the staff's unbroken record, but it certainly wasn't for want of trying! 6 – 16.5 was quite a close result!!

Leavers' assembly for Year 6 families starts at 9am next Friday. Please let us know if more than two members of a family are planning on attending so we can make sure there are enough chairs.
