We made it!!
By hook or by crook, we got to the end of another busy, exciting, funny, extraordinary, surprising, exhausting, exhilarating year! Well done to all staff and children & we hope every one of you has a fabulous, well-deserved summer break.

Thank you to all the teachers and HLTAs who have worked for so many hours to plan and deliver the most exciting lessons to engage the children and make learning fun rather than a chore (mostly!!). Have a great holiday.

Thank you to the teaching assistants who always go above and beyond to support the teachers, help the children move their learning forward and be there to fulfill so many roles that go way beyond their job description. Have a good rest, ladies.

Thank you to our fabulous office ladies who keep the school running, day-to-day. They are relied upon by so many for so much and they take it all in their stride. We couldn't manage without them. Take time to switch off, ladies.

The 100% attendance prize draw winner this week is ...
Olivia
in Owls!!
Enjoy spending your £10 Amazon voucher!

Thank you to our wonderful kitchen ladies who are absolutely committed to making Roydon's the best school kitchen anywhere! The number of meals they prepare each day is testament to the quality of their food. Hope you get a break from cooking!

Thank you to our lovely lunchtime ladies who try to make lunchtime a happy time for all, and to our cleaning ladies who work their fingers to the bone to keep the school spick and span. Hope you have a chance to relax.

Thank you to our amazing children who have worked so hard, played so well, looked after each other, and achieved so much. Good luck to all Year 6s next year – thank you for all you have done for us at Roydon. We hope you have fun-filled, sun-filled holiobobs.

And finally, a HUGE thank you to Mrs Barrett for seeing so many 1000s of children safely across the road day after day, come rain or shine ... or snow!
We miss you already!
