Well, what a Day of Welcome it was! We started the day with all the children and staff together in the hall – it was a rainbow of colour, representing the flags of so many different countries. We sang Refuge, a song about understanding how difficult life is for refugees and how we want to support them.

Some of the Year 5/6 children shared ideas about ways they could welcome newcomers to our school and wrote them around a welcome wreath.

Some Year 3s and 4s have made cards to welcome new children.

The 100% attendance prize draw winner this week is ...

The infant children thought about what was important to them and what they would take if they had to leave their home very suddenly.

Ms Holden got busy with paint and glue, & everyone put a hand print on the wall! All the children have made their mark.

In the evening, FoRPS welcomed lots of you to their BBQ. It was a really lovely event – watch this space for the total amount raised.

Many thanks to Mrs Drury and all the FoRPS ladies for their organisation. It is events like these that make Roydon Primary School such a special place to be!
