We are so proud of our Year 6s who have shown huge positivity, resilience and determination this week in completing their SATs. We also need to say thank you to the kitchen ladies and Year 6 staff for providing breakfast, and staff throughout the school for all their support.

There is a FoRPS meeting next Thursday at 3.30pm in Owls to discuss the Family BBQ (16th June) and the Summer Fayre (8th July). Come along to share your ideas, offer your help, get involved and have a good laugh!

We are expecting a very emotional farewell on 26th May as we say goodbye to Mrs Sparkes after 18 years at Roydon. All children will have worked with her in Reception and we are going to miss her dreadfully. If you would like to send her good wishes, please contact the office.

FoRPS disco tickets go on sale on Monday and, as usual, volunteers get a free ticket for their child. No experience needed, as full training will be given! You may be selling raffle tickets, giving out refreshments or just getting in the groove!

The 100% attendance prize draw winner this week is ...
Megan
in Kingfishers!!
Enjoy spending your £10 Amazon voucher!

If you saw the horrific injuries caused to children knocked off their bikes when they are not wearing a cycle helmet, you would not let your child get on a bike without one. Please teach your children to keep themselves safe. Ride a bike? Wear a helmet!

Year 4 are off to Ringsfield Hall next Wednesday to explore the great outdoors for three days. Thank you to Mrs Walsh, Mrs Collis, Mrs Rush and Mrs Drury for giving up so much time to take them. We hope you get some sleep!

After half term, the Year 4s will be doing their times table check online, and you can help them by practising at home. Do use Times Tables Rockstars - a fabulous resource that helps them develop their speed and accuracy.

If you have any Lego tokens from the EDP, please send them to the office by Thursday 18th May so we can claim our freebies before the deadline at the end of the week.
