13th November Maths Week England	14th November	15th November Some Year 4 mathematicians visiting Sir Isaac Newton Sixth Form	16th November Book Fair arrives 9.00am Listen Learn Explore	17th November Children in Need (details to follow) Sunday 19th FoRPS Lakeside shopping trip

Do you have an hour free at lunchtime every day to help children enjoy a happy lunch break? You might be playing games outside or helping in the dinner hall - no two days are ever the same! Please call 01379 642628 or email office@roydon.norfolk.sch.uk if you would like to join our lunchtime team.

Thank you so much for the bags of sugar you have sent in. We have a 'sugar molehill' of a few bags and we are hoping that you will all help us to turn it into a huge sugar mountain by Friday 8th December, when it will be collected by the BEFA charity.

We are looking forward to the book fair arriving, and books will be on sale after school until 4.00pm each day from Thursday 16th until Tuesday 21st. Payments can be made online in advance or at the event. What a great way to start your Christmas shopping if you haven't already!

We're sure you are coming to the Holly Fayre on Friday 1st December between 6.00 and 8.30pm. However, if you could spend just half an hour running a stall or game, we can have more stalls which means more money! Please email roydonforps1@gmail.com to offer your help.

The 100% attendance prize draw winner this week is ...
Achchira
in Kingfishers!!
Enjoy spending your £10 Amazon voucher!

We hope parents & carers of our infant children will be able to stay for a Listen, Learn, Explore session on Thursday 16th in classrooms at 9am. Please remember this is an opportunity for adults to share children's learning – no pre-schoolers or babes-in-arms, please.

Book your seat on the coach for the FoRPS Lakeside shopping trip! The coach leaves school at 8.45am on Sunday 19th November to give you plenty of time to buy Christmas gifts galore! £20 per person (Year 7+).

It was brilliant to see three new faces at the last FoRPS meeting. They brought new ideas, loads of enthusiasm, ate cake, and have been busy helping to get things ready for the Holly Fayre! The next meeting is Thursday 9th at 3.30pm – do come and join us!

We are all looking forward to Maths Week England from Monday 13th. Look out for Miss Leftley's daily family puzzles and a special maths competition to challenge you all!
