20th November	21st November Last day of Book Fair	22nd November	23rd November 3.30pm FoRPS meeting	24th November

We have a vacancy for a lunchtime supervisor for an hour a day to help children enjoy a happy lunch break. You might be outside playing games or helping in the hall - no two days are the same! Call 01379 642628 or email office@roydon.norfolk.sch.uk if you would like to apply to join our lunchtime team.

All your uniform donations were hugely appreciated by our new families – thank you so, so much for your instant generosity! There are a couple of Year 6 children (one boy and one girl) who struggled to find clothes big enough. Can anyone help?

Those FoRPS ladies are working their fingers to the bone to organize the Holly Fayre and have pretty much moved into school until the beginning of December! If you can help them in ANY way with getting things ready or manning a stall for part of the evening, they would love to hear from you.

Next Friday, let's see what we can raise for Children in Need! Spotify school uniform or add accessories, and bring all your loose change for children to add to their class's collection bottle to win a class prize. Additional prizes for good estimation will also be up for grabs!

The 100% attendance prize draw winner this week is ...
Alisha
in Squirrels!!
Enjoy spending your £10 Amazon voucher!

The Rainbow Raffle is back at the Holly Fayre! Each class is being asked to donate items for a hamper of a certain colour (see the flyer for examples & details). Contributions don't need to be big or expensive – just the right colour & something you think people would like to win!

15 bags and counting ... Every bag could help to save a life this Christmas.

To raise some more money for Pudsey, we would love to hold a Spotty Cake Sale in the hall at 3.20pm. Please bring all donations of spotty cakes (or plain cakes if you have no spots!) to the hall first thing on Friday morning. Many thanks.

Please make sure you provide tape to cover your child's earrings for PE if they are not able to take them out. Removing them on PE days is definitely the safest option.
