What a response to Families Lunch Week! If you are joining us, please come to the main office for 12pm. As we are feeding so many people, we are asking parents to make sure they have finished their lunch by 12.45pm. We look forward to seeing you!

Please note that on 23rd November, for children NOT eating with their parents, the only option available will be a packed lunch – tuna, cheese or ham sandwich, yoghurt, fruit, chocolate crunch & juice.

Hopefully you have seen the message about Rainbow Hampers. Only children bringing a contribution will be able to wear non-school uniform on Friday 25th. Goodies can be taken to your child's class on any day from Monday 22nd until Friday 25th.

Are you up for a challenge? Look out for Miss Leftley's daily maths brainteaser next week as part of Maths Week England. Also chat to your child about what they been talking about in class as part of Anti-bullying Week.

The 100% attendance prize draw winner this week is ...
Milena
 in Kingfishers!
 Enjoy spending your £10 Amazon voucher!

Mrs Feavearyear is on the look-out for more small world toys – people, trees, vehicles, animals, habitats, buildings, furniture ... anything children might use in their story-telling. Please send them to your child's class teacher.

We have just been informed that the next round of flu vaccinations will be on Wednesday 16th, NOT on Friday 18th as we were originally told. This means the portal for registering your child will close at 9am on Monday 14th.

If at all possible, please avoid using Paypal to pay for items on ParentMail. We are being charged over 5% for these payments, as opposed to 1% on those paid directly from a debit card. Sorry for any inconvenience.

Do you realise that FoRPS raised an **ASTOUNDING £11,409.39** in the last 12 months?
 Thank you so much, ladies!
