Thank you SOOOOOO much to the Original Factory Shop for choosing us as their charity this year. We were delighted to pick up our first cheque yesterday for £269.39. They have many ways to raise money for us during the year, and we really appreciate their support.

Please remember that snacks brought in for morning break must be fresh fruit or raw vegetables. Children will be asked to take sugar- or chocolate-coated snacks home at the end of the day.

On 28<sup>th</sup> November, children are invited to bring in a jam jar filled with wrapped sweets, small toys, crayons, stickers, accessories, etc. You can send items in a bag if you have no jar. In return, to say thank you, those bringing in a jam jar can come to school in non-uniform.

Thank you for the goodies you have sent in for the Rainbow Raffle. When you are shopping, keep an eye out for items that are your child's class colour & send your donation to your child's class. Check the posters if you have forgotten which colour to send.

The 100% attendance prize draw winner this week is ...  
**Abrianna**  
in Owls!!  
Enjoy spending your £10 Amazon voucher!

What a super-supportive company Gooddies is! Not only are they always on-hand to sort out any uniform orders and issues, they have very kindly donated a free sweatshirt for each of the new children who joined us this week. Thank you!

Do come along to the Book Fair in the hall on Monday and Tuesday after school. This is a great chance to pick up some Christmas presents, and the school receives commission on every sale so we can buy new books – win win!!

It is not too late to offer your help at the Holly Fayre! FoRPS is meeting next Tuesday to organise stalls and games, and the more stalls we have, the more money we can raise. Just an hour of your time would be VERY much appreciated.

Thank you Miss Leftley for organising so many Maths Week England events this week. We hope you have enjoyed the challenges and the opportunity to tax your mathematical minds!
