Tickets go on sale on Monday for the FoRPS discos on the 17th. Please send £3.50 in a named envelope to your child's class teacher by Friday 14th, or pay £4 on the door. Free ticket for your child if you can help – just let FoRPS or the office know.

Would you like to join the annual FoRPS Lakeside trip on 22nd November? Send £20 to the office to book your seat on the coach. Shoppers are welcome to bring children of high school age and above.

HUGE thanks to One Man & His Digger for sorting out the metal climbing frame for us ... at such a reasonable cost. We really appreciate his community spirit! Contact Nigel on 07901 697351 for all your digger needs!

We hope to see Squidgers' parents on Tuesday & Friday next week. Despite recent confusion, we ask that pre-school children and babes in arms are NOT brought along to these events. Thank you.

The 100% attendance prize draw winner this week is ...
Stevie
 in Owls!
 Enjoy spending your £10 Amazon voucher!

Children who have not had their flu vaccinations will receive them on 18th November. Parents will only be able to give their permission via the portal between the 4th and the 15th November. More details to follow.

This year, we will be supporting the Norfolk-based Sugar Appeal who collect bags of sugar to give to homeless shelters. Sugar in hot drinks is a vital source of energy for the homeless, especially in the winter ...

... After half term, we will simply be asking you to donate a bag of sugar! Silver Spoon matches donations of their own sugar, although donations of any brand are very, very gratefully received.

Children really enjoy celebrating their birthday with a party lunch at school. However, please be aware that these get booked up incredibly quickly. Book early to avoid disappointment!
