**Welcome back!**  
Your children are amazing! They have settled back into school life as if they have never been away & the Reception children have adapted to the new routines without a second thought! Well done to everyone for showing such independence & maturity!

We were all devastated by the sad news of The Queen's death & our thoughts are with her family. We held an assembly this morning & will talk about her life and work over the coming weeks. We expect school will be closed for her funeral; details to follow.

We are looking forward to welcoming parents into school over the next few weeks. Junior parents are invited to help their children make Christmas cards next Wednesday (times above). We know it is a while until Christmas, but we have to get the orders in in the next couple of weeks.

The infant parents are being invited into class to work with their children during Listen, Learn, Explore sessions. The first is for Hedgepecker parents on the 22<sup>nd</sup> September at 2.30pm, while Squidgers session will be on 11<sup>th</sup> October.

Individual and family group photos will be taken next Friday morning – great Christmas presents for all the family!!  
Year 3/4 children involved in the Roman workshop that day should come to school in uniform and bring their Roman outfit in a bag.

FoRPS will be getting together after school on Thursday 15<sup>th</sup> September to discuss this year's fundraising events. New members are more than welcome to attend – bring along ideas, offers of help, or just your enthusiasm!

Sadly, last year some parents ran up quite large lunch debts, & this puts a strain on our time and our finances. As such, if a debt exceeds £20, your child will only be entitled to a sandwich at lunchtime until the debt is paid off. Thank you for your understanding.

We look forward to Miss Chisnell joining us in Squirrels on Monday 19<sup>th</sup> to start her initial teacher training. She will be with us for most of this term.
