We do hope Squidgers' parents will join us in two weeks. At 2.30pm on the 11th you are invited to join your child in class to share their learning, and at 8.45am on the 14th come & enjoy their class assembly. They are looking forward to sharing their busyness with you!

We are delighted that members of the Rotary Club will be joining us in assembly on the 11th for the presentation of a dictionary to each of our Year 5s. This is a generous offer they make to all the Year 5 children in Diss each year.

Do you know a family with a child who is due to start school in September 2023? Do they know about our open mornings on the 12th & 13th? There will be a tour, time in Hedgepeckers, & coffee & biscuits! Ask them to call us to let us know which day to expect them.

This year, Harvest Festival in school will be on Monday 3rd October when we will be joined by Rev. Thorp to lead our celebrations. Any donations of in-date, non-perishable items will be welcomed in school to be delivered to the foodbank.

The 100% attendance prize draw winner this week is ...

Photo proofs should be coming home today. Please note that orders must be placed online by Thursday 6th October to benefit from free delivery to school. P&P will be charged on orders placed after the 6th that will be delivered to your home.

It never ceases to amaze us how much unnamed clothing ends up in the lost property cupboard. In these times of making savings wherever we can, clearly naming all clothes is such a simple thing that will save you £££s.

Please make sure you have completed your online consent form to give permission for your child to go on local visits and have their photograph taken. There are still a number missing from our records.

Thank you Years 3 and 4 for your fabulous assembly this morning! You have been busy. Well done everyone!
