We hope all you mums enjoy some nice surprises on Sunday. Thank you FoRPS for organising the lunchtime sales, to bring smiles to people's faces over the weekend, and raising much needed funds for the school. Thanks for supporting them.

We find it unbelievable that any of our parents would be so disrespectful of our neighbours as to use their driveways to turn their car around. We are sure you would be furious if anyone did the same to you.

In return for a non-uniform day, FoRPS would be very pleased to receive donated Easter eggs on Friday 22nd to be used as prizes at the Easter Fayre. All shapes and sizes welcomed – just send an egg in with your child on the Friday morning.

Thanks to the lovely Mrs Endersby and Mrs Eaton, we now have after-school nature and art club. If you would be prepared to run a club for our children, please drop us a line to discuss details.

The 100% attendance prize draw winner this week is ...
Keeley
 in Foxes!
 Enjoy spending your £10 Amazon voucher!

Please note that children have been advised NOT to play football in the playground after school as there are too many people in that small space, including young children, who could easily get hurt.

Thank you to FoRPS for paying for the science workshops coming up in a couple of weeks. These are always thoroughly enjoyed by the children and will support Science Week perfectly.

Hopefully you received your child's sponsor form this week and you will be able to help them to collect sponsors over the next two weeks. We are going to need lots of money to pay for the theatre trips!!

If you know a family with a child who is due to start Reception in September, make sure they check emails on 16th April to find out where they have been offered a place.
