13th May SATs Week	14th May	15th May	16th May	17th May 6.00-8.00pm FoRPS Bingo & Chips Night
20th May	21st May	22nd May	23rd May 3.30pm FoRPS meeting	24th May Miss Baker – computing leader course 9.00am Infants' rock and pop assembly 9.00am Juniors' rock and pop assembly

Hope you have your dabbers at the ready for the big BINGO night next Friday. No need to book; just turn up at 6.00pm for eyes down at 6.15pm. Get practising those bingo calls – our mystery bingo caller is! Great fun for all the family. (Dabbers on sale on the night if you haven't got your own!)

The sun has got his hat on – has your child?? Now that the warmer weather is here (hopefully to stay), please make sure your child has a sun hat and water bottle in school every day and that sun cream is applied before school.

Sadly, we have had more problems between some of the Year 5 & 6 children on The Green before school. As such, there will no longer be any ball games allowed as it is causing arguments and taking valuable learning time to resolve issues. Please make sure your child understands this.

Has your child got their disco ticket yet? This will cover the usual crisps, sweets and unlimited drinks + glow sticks + a live DJ set ... with requests!! The cost of the discos has been kept the same for several years, and is a small price to pay for an hour of peace & quiet!

The 100% attendance prize draw winner this week is ...
Ivy
in Woodpeckers!
Enjoy spending your £10 Amazon voucher!

FoRPS would love to see more new members at their meeting on Thursday 23rd, especially with the summer fayre coming up. We would love to hear some new ideas for stalls and games. No pressure, just a lot of brainstorming ... and a LOT of laughs!!

If you know a family with a child due to start at Roydon in September 2024, please make sure they have received our letter and know the dates for the transition activities planned for later this term.

We are looking forward to the free rock and pop assemblies in a fortnight. These are free to the school, and will give children a chance to listen to and try different instruments.

A message for Year 6 – do a bit of revision, practise your times tables, enjoy some down time, have an early night on Sunday and we will see you for breakfast at 8.15am on Monday.
