Dear Parents and Carers,

We are already well into the Summer Term, so here is some information about what we are expecting to be doing.

End of Key Stage 2 SATs will shortly be with us (May 13th - 16th). We have been impressed by the way the children have been working so hard in preparation for them. So many have stayed after school for revision sessions and completed extra work at lunchtimes or in the afternoons.

During SATs week we will provide a breakfast to **Year 6** children who would like it. This has always been popular in the past as there is a choice of cereals, bacon rolls, toast and juice at NO cost to the children.

The timetable for SATs tests is below. This is the same throughout the country; the tests cannot be taken at other times.

Monday 13 th May	Paper 1 Spelling, Punctuation and Grammar Paper 2 Spelling, Punctuation and Grammar
Tuesday 14 th May	English Reading Comprehension
Wednesday 15 th May	Maths Arithmetic Paper 1 Maths Reasoning Paper 2
Thursday 16 th May	Maths Reasoning Paper 3 Celebrate!!!

Curriculum Content

After SATs year 6 will run our "**Business Enterprise Day**" that has been very successful in previous years. Children will be asked to form a company either to provide a service or sell a product. The money raised will be sent to a charity chosen by the children. This will be on the afternoon of Wednesday 5th June.

Save the date - Exciting news! Our year 6s will be producing a play to show the school and their families. The dates for performances will be Tuesday July 9th at 6p.m. and Wednesday July 10th at 2p.m. More information to follow...

Reading

Please encourage your child to read every day at home; we have noticed that children who read regularly really do make the most progress. It would be great if you could check your child's book bag and if possible talk to them about the book they are reading. If children read to you, encourage them to use expression in their voice.

Spellings

These will continue to be given on a Friday and tested the following Friday. An effective method of learning is the LOOK, SAY, COVER, WRITE, CHECK which they can do using the grids provided.

Diary Dates - Specific information about each event will be sent nearer the time

- Junior Sports Day - Friday 21st June at 9.00am
