We are looking forward to seeing you at our sports days the week after next. Friends and families will be welcome to wait on the field after drop off, and the children will be out as soon as they are ready. Don't forget chairs or blankets for that extra level of comfort!

The Year 1 children and a few of the Year 2 children will be taking part in phonic screening all of next week. Please make sure your child is in school unless they really are too unwell to attend.

Next week, FoRPS is meeting to see how many volunteers they have for the Summer Fayre and how many stalls can be manned. If you could come to the meeting, you would be very welcome, or please message the committee if you are free to help out on the 29th.

It was lovely to meet so many of our new Reception parents at the meeting yesterday afternoon. If you know someone who couldn't make it, please ask them to pop in to the school office to pick up their information pack.

The 100% attendance prize draw winner this week is ...
Joseph
in Otters!
Enjoy spending your £10 Amazon voucher!

We are looking forward to meeting our new Reception children with their parents at the sports afternoon on Monday. This is one of several sessions to help familiarise the children with Roydon Primary School. We can't wait to meet them!

FoRPS is pleased to announce the return of PIE-FACE at the Summer Fayre! The teachers have been voluntold that they will take part, so send in your coins to vote for the teacher you would most like to be pie-faced.

Children can also pay 50p to enter a draw to be THE PIE-ER! They can enter the draw up to five times and the draw will take place on Saturday 29th. Obviously, it will have to be someone who will be there on the day!

Apologies that the jam jar poster said we were collecting them for the HOLLY Fayre! We are sure you have guessed that they are intended to be sold at the Summer Fayre on **SATURDAY 29th JUNE!**
