We are very excited to tell you that we will be running before- and after-school clubs during term-time from September! The morning session will start at 8.00am, include breakfast, activities & delivery to class for 8.45am, and will cost £6.00.

After school, children can attend up until 5.00pm to include collection from class, smoothie and a biscuit, and activities for £12.00 **OR** children can stay up until 6.00pm to include all the above and a cooked meal for £15.00.

We have only just received approval for this venture & we are working at pace to have it set up for the new term. More details will follow next week when you will be able to book places for September and October in the first instance.

Well done and thank you to our amazing and fabulous kitchen ladies for yet another stunning football lunch special on Tuesday. If their hard work was measured in goals, we would have won the Euros by now!!

The 100% attendance prize draw winner this week is ...  
**Macie**  
in Dragonflies!  
Enjoy spending your £10 Amazon voucher!

We hope to see you at the summer fayre tomorrow to help raise money to support your child's learning. There will be games & stalls & freshly-cooked pizza & ice cream & drinks & football & soaking wet teachers ... & a pie in someone's face!!

Please make sure you pay your voluntary contribution for your infant child's visit to the Hippodrome. This will be taken as your permission that your child can join the visit on the 12<sup>th</sup> July.

We are looking forward to seeing you on Busking Day from 10.45am until 1.15pm. Please remember that you and your child will need a packed lunch from home if you haven't ordered a BBQ lunch.

Thank you for all the tombola prizes you sent in this week. The winner of the raffle was Theo in Hedgehogs! 😊
