

Roydon Primary's Weekly Heads-Up

Friday 19th July

Have a lovely summer!

		4th September Staff and children return to school	5th September	6th September
9th September Year 6 to Bawdsey Manor	10th September	11th September pm mental health consultant visiting	12th September 3.30pm FoRPS meeting	13th September Year 6 return from Bawdsey Manor

And so we say goodbye to our Year 6 children who are off to high school to fill their brains with more learning! We thank them for everything they have done to support the staff and children at Roydon, and we wish them all the very best of luck in their new adventures.

We're sorry to say farewell to Ms Holden who has been at school for 15 years & has been a part of many children's journeys. Pop in and see her and her work at Designmakers 21! Ms Martin is also leaving us & we thank her for her time with us (although she will be back briefly next term!)

We would like to thank the staff, wherever they work in school, for all they do for the children, for their hard work, their unfailing enthusiasm, for the extra hours they all put in, for their support for each other, for their patience and flexibility, and for smiling through it all. You make Roydon such a happy place.

There are still some spaces available at The Beehive for Honey Bees (before school) and Bumble Bees (after school). Sessions can be booked and paid for right up until the start of the session, but will be allocated on a first come first served basis – don't miss out!

The 100% attendance prize draw winner this week is ...
Kerem
in Hedgehogs!
Enjoy spending your £10 Amazon voucher!

We would just like to give you the heads up that on Sunday 8th September, FoRPS will be organising the car boot sale on Diss Park to raise money to support your children's learning at school. Please support them by going along to buy or sell.

You may have heard in the news or read in the press about the changes in dealing with absence from school from next term. Please be aware that we will have to start fining parents when their child's absence falls below a certain level. You have been warned!

We hope that you have received your child's report. This may have been a full report for Reception and Year 6, and a short report for Years 1 to 5. You all receive a report termly to keep you informed about how your well your child is doing at school.

... and that's a wrap!
We wish all our friends and families a fabulous summer break and we will see the children back in school at 8.45am on Wednesday 4th September.
